

## Twin Falls FLL Robotics Competition...What a DAY!

Well, how fun was that? We are so proud of our Declo teams for doing so well and qualifying for State Competition in December. Thanks to Darcy at the Herrett Center and all the CSI organizers and judges for helping our kids have a great day! Thanks coaches and parents for supporting your kids. These teams were judged on team work, presentation and research, programming and design, and robotic missions. The theme this year is Food Safety and they have learned a lot.

Hotwired presenting their project to the judges.

Cassia Teams...BJH Bobocats, RoboRebels, and Hotwired

RoboRebels in competition!

Hotwired preparing to compete!

Our Mascot, Nash

Three of the best judges...Sue, Bill, and Dan

BJH Bobcat Team...good job!
